

Lynn Phillips

1. Education

- PhD Nursing Education, University of Northern Colorado 2014
- M.S., University of California, San Francisco
Pulmonary Clinical Nurse Specialist, minor Education 1992
- B.S., Nursing, Idaho State University. 1984
Minor in Psychology

2. Professional Experience

- Assistant Professor, Simulation Learning Center Director, UCCS Aug. 2015-present
- Senior Instructor, Interim Simulation Education Coordinator Aug. 2012- 2015
- Instructor, Department of Nursing and Health Sciences, UCCS Aug. 2005-2012
- Lecturer, Department of Nursing and Health Sciences, UCCS Aug. 2001-2005
- Clinical Instructor, Samuel Merritt College Sept. 1993-1994

Healthcare Experience

- Interim Home Healthcare, Home Health Nurse July, 2001- 2012
- Alta Bates Medical Center, Pulmonary Nurse Specialist Sept. 1995-2000
- Alta Bates Medical Center, Relief Charge Nurse, Staff nurse Sept. 1989-1995
- L'Hopital Bon Samaritan, Limbe Haiti, Charge nurse Jan. 1989-Sept. 1989
- St. Mary's Regional Medical Center, Reno, NV, staff nurse July 1987-1988
- Sierra Health Care Center, Sparks, NV, Patient Care Coordinator June 1984-1987

3. Refereed Publications, Galleries, Performances, etc

Stanley, M. J. C., Phillips, L., Galatzan, B. (2014). Using simulation to assess undergraduate nursing students' competency with medication administration to a limited- English language proficiency patient. *Journal of Nursing Education and Practice*, 4(5), 29-35. doi: 10.5430/jnep.v4n5p29

4. Non-Refereed Publications, Galleries, Performances, etc

Phillips, Lynn. (2014). *Undergraduate Nursing Student Situation Awareness during Simulation*. (Doctoral dissertation). Available from ProQuest Dissertations and Theses database.

5. Books and Book Chapters

6. Presentations at Meetings and Seminars

Phillips, L. (2015, June). "Undergraduate Nursing Student Situation Awareness during Simulation." Podium presentation at the meeting of the International Nursing Association for Simulation and Learning in Atlanta, GA.

Bradshaw, H., Phillips, L. (2014, July). "Seeing Through Another's Lens-A New Focus on Teamwork and Collaboration." Poster presented at Nurse Educators Conference in the Rockies, Breckenridge, CO.

Cason, M., Hefner, A., Phillips, L., Berndt, J, McGuire, N.K., Stennett, R. (2014,

January). *“A coast to coast collaboration: Building bridges for practice partners project.”* Poster presented at the meeting of The Society for International Simulation, San Francisco, CA.

Hefner, A., Cason, M., Berndt, J., Phillips, L., Stennett, R., McGuire, N.K. (2013, October). *“Establishing collaboration for practice partners: Building bridges with a simulation opportunity tool.”* Poster presented at the meeting of the National League for Nursing Technology Conference, Philadelphia, PA.

Phillips, L. (2011, November). “Nursing Student Experiences in Haiti,” Podium presentation at the meeting of the STTI Xi Phi Chapter Research Conference, Colorado Springs, CO.

Phillips, L. (2011, July). *“Cultural Competence Development through Cross-Cultural Immersion”* Podium presentation at the meeting of the Nurse Educators Conference in the Rockies, Breckenridge, CO.

7. Grants and Research

\$1000 Debra Spunt Mini Grant Award from the International Nursing Association for Clinical Research and Simulation, for research study “Undergraduate Nursing Student Situation Awareness during Simulation.” November, 2013.

Fall, 2011, “Nursing Student Situation Awareness during Simulation” pilot study
Principal Investigator, University of Colorado, Colorado Springs

Spring, 2011 “Uncovering Meaning for Nursing Students Providing Nursing Care in Haiti Post-earthquake” Co-investigator with Ju Young Shin PhD, University of Colorado, Colorado Springs.

Spring, 1992 "Compliance with tuberculosis chemotherapy in Haiti," a descriptive research study on the determinants of compliance with anti-tuberculosis medications. Principal Investigator, University of California, San Francisco.

8. Courses taught

- Adult Health 1 (Undergraduate)
- Fundamentals of Nursing (Undergraduate)
- Health Assessment (Undergraduate)
- Clinical Decisions (Undergraduate)

9. Recognitions

- National League for Nursing Simulation Leader Program Recipient, 2013
- Nightingale Nominee, 2010

10. Professional Organizations

Respiratory Nursing Society, 2000-present

Sigma Theta Tau, 2008-present

International Nursing Association for Clinical Simulation and Learning 2012-present

Society for Simulation in Healthcare 2013-present

Nurses Christian Fellowship, 2006-present

11. Service

University of Colorado Colorado Springs

- Simulation Committee (Chair)
- Faculty Affairs Committee
- Curriculum Committee
- Beth-El undergraduate nursing department Search Committee
- Medical-Surgical Nursing council 2008

Community

- Volunteer- Interfaith Hospitality Network 2001-present
- Volunteer- La Puente community services 2001-present

International

- Haiti Housing network volunteer 2011
- Emergency Aid volunteer nurse and medical mission, Haiti, 2010
