

Paid Counselors Needed for a High School Healthcare Career Exploration Camp

Colorado Area Health Education Center (COAHEC) has employment opportunities for healthcare professions' students to serve as counselors for HOPE Institute, a healthcare career exploration camp for rural and other underrepresented high school students from all over Colorado. Many students have been preparing for this camp all school year and they are all eager to learn from you!

Counselors must be available to stay in dorms at the University of Colorado - Colorado Springs the whole week of July 10 to 16, 2022 with the campers.

Health professions' students from rural or other backgrounds underrepresented in health care professions are encouraged to apply.

Apply by emailing a CV and short cover letter to matthew.hess@cuanschutz.edu.
