

Kathryn A. Blair

Education:

1992 PhD University of Missouri-Columbia, Columbia, MO
Human Development and Family Studies
1979 MSN University of Colorado Health Sciences Center, Denver, CO
Family Nurse Practitioner and Pediatric Nurse Practitioner
1971 BSN Kent State University, Kent, Ohio
Nursing

Non-Academic-Professional Experience

January 2009-present	Storms Clinical Research Institute	Sub Investigator
January 2009-present	William Storms Allergy and Asthma clinic	FNP
	1625 Medical Center Point, Suite 190	
	Colorado Springs, CO 80907	
February 2008- 2009	Colorado Springs City Employee Clinic	FNP
Sept.2007- Dec. 2008	East Side City/County Employee Clinic	FNP
	Clinical preceptor for NP students	
Dec.1997-June 2007	North Colorado Family Medicine, Greeley, CO	Faculty/FNP
	Coordinator of FNP student clinical rotation,	
	Clinical preceptor for FNP students and FP residents	
1994-12/1997	Keene Family Medicine, Keenseberg, CO	FNP
	Fort Lupton Family Medicine Clinic	FNP
	Fort Lupton, CO	
1994-96	Weld County Health Department, Greeley, CO	FNP
1986-93	St. Mary's Hospital, Jefferson City, MO	RN, Staff nurse
	Cardiac Step-down Unit and intensive Care Unit	
1991-92	Cole County Health Department	FNP
	Jefferson City, MO	
	Prenatal Clinic	
1979-84	A.H. Gould Family Medicine	FNP
	Grand Junction, CO	

Academic Professional Experience

2007- present	University of Colorado-Colorado Springs	
	Professor	
	NP option coordinator	
1999-2007	University of Northern Colorado, Greeley, CO	
	Professor	
	Coordinator FNP emphasis	
1994-1999	University of Northern Colorado, Greeley, CO	
	Associate Professor	
	Coordinator FNP emphasis	
1993-1994	University of Missouri-Columbia, Columbia, MO	

	School of Nursing
	Assistant Professor of Clinical Nursing
	School of Medicine: UM-Columbia
	Family Nurse Practitioner Faculty
1984-1993	University of Missouri-Columbia, Columbia, MO
	School of Nursing
	Clinical instructor
1980-1984	Mesa College, Grand Junction, CO
	Associate Faculty

Grants

- 2010 \$4000 "COPD: A missed opportunity for secondary prevention" American Academy of Nurse Practitioner Foundation grant (funded) Principle investigator

Funded (Prior to appointment at UCCS)

- 2006 \$100,000 Center of excellence project for the North Colorado Health Alliance. The center will be working on the training of health professionals in the delivery of integrated health (mental health, substance abuse and primary care). SON Representative

2000-2003	\$450,000, “Partnerships in Primary Care: A Managed Care Imperative”, CITE, Robert Wood Johnson, <u>Principal Investigator</u> , 3-years (<i>Colorado Action Practice</i>)
1999-2000	\$30,000 “Managed Care: a Curricular Necessity for Family Nurse Practitioners”, Partnerships in Quality Education, Robert Wood Johnson, <u>Principal Investigator</u> , 2 years
1997	\$2000 Graduate Research and Publications Award. <i>Prescriptive Authority: Practices and perceptions of Advanced Practice Nurses and Pharmacists</i> . <u>Principal Investigator</u>

Recognition/Awards

2008	American Academy of Nurse Practitioner Fellow
2007	State of Colorado NP Advocate Award American Academy of Nurse Practitioners
2006-2007	Excellence in Service Award College recognition College of Natural and Health Sciences, UNC
2006-2007	Excellence in Service Award University recognition University of Northern Colorado (UNC)
2002	Outstanding Nurse Practitioner Educator Award National Organization of Nurse Practitioner Faculties
2000-2001	College Scholar Excellence Award College of Health & Human Sciences, UNC

Professional Association Participation:

Date	Organization	Activity
1997-present	<u>National Organization of Nurse Practitioner Faculties (NONPF)</u>	Member
2011-12	Distance Education Special Interest Group	Member
2012-13	Nominating committee	Elected member
2009-11	NONPF Faculty Development Committee	Co-chair
2009	Research Special Interest Group	Member
2007	NONPF Faculty Development Committee	Member
2003-07	NONPF Faculty Practice Committee	Board member Chair
2006-07	NONPF Educational Committee	Interim Chair
2005-11	NONPF Faculty Forum / <i>Medscape</i>	Editor/contributor
1990- present	<u>Sigma Theta Tau (National Nursing Honor Society)</u>	Member
	Alpha Iota/Zeta Omicron Chapter	Member
2002-present	Reviewer for grants and abstracts	Reviewer

1999-02	Nominating Committee for Zeta Omicron	Chair
2004-07	<u>American College of Nurse Practitioners</u> ACNP Public policy Team	Member Member
2004-present	<u>American Academy (Association) of Nurse Practitioners</u>	Member
2009-12	AANP Selection Committee (for Fellows)	Member
2009	AANP mentor (mentee Tamika Harris, DNP)	
2008-present	AANP Pilot CE Reviewer Program	Member
1994-present	<u>Colorado Nurses Association</u>	Member
2004-10	CNA Nurse Practice and Professional Issues Committee	Member
2002-10	<i>Colorado Nurse</i>	Editorial Board
2003	Colorado Nurses Association District 30	Delegate
2003-2007	<u>National Health Service Corp</u> Bureau Health Professions NHSC Campus Based Ambassador Program	Faculty Advocate
1995-2003	American Association of Colleges/National Health Services Faculty Advocate Network Project	Member

Professional Consultation

2012	Consultant for Western Governor's University FNP program
2008-2010	University of Botswana external examiner for the Family Nurse Practice (FNP) Programme in Botswana
2007	University of Missouri-St. Louis Consultant for DNP program development
2004-2009	Consultant and expert witness State of Colorado Department of Law/ Office of the Attorney General

Clinical Trials in Association with Storms Clinical Research Institute

Safety and efficacy of SKY 006 FlutiForm HFA pMDI (250/10mcg twice daily) in adolescents and adult patients with moderate to severe asthma – 2009

Randomized, double-blind trial of MP29-02 nasal spray compared to placebo, azelastine hydrochloride nasal spray and fluticasone propionate nasal spray in the treatment of patients with seasonal allergic rhinitis - 2009

Phase IIIb multicenter, randomized, double blind, placebo-controlled study of Xolair in subjects with moderate to severe persistent asthma who are inadequately controlled with high-dose inhaled corticosteroids and long-acting beta-agonists - 2009

A randomized double-blind, controlled, parallel group, 12 week treatment study to compare the efficacy and safety of the combination of indacaterol 150mg once daily versus open label tiotropium 18mg once daily in patients with moderate to severe chronic obstructive pulmonary disease - 2009

A double-masked randomized parallel group comparison of seasonal allergic rhinitis treatment with olopatadine 0.6% and Azelastine 0.1% when treatments are used in combination with fluticasone propionate 50mcg nasal spray SMA-08-23 - 2009

A double-blind, randomized multicenter cross-over evaluation of the sensory attributes of Olopatadine 0.6% and Azelastine 137mcg nasal sprays in patients with allergic rhinitis (sensory II) - 2009

A two-week randomized, double-blind study assessing the onset of effect questionnaire administered daily versus weekly in African American subjects greater or equal to 18 years of age with mild to moderate asthma, receiving Symbicort pMDI 80/4.5mg x 2 actuations twice daily or budesonide HFA pMDI 80 mg x 2 actuations twice daily – 2009

A randomized, double-blind, placebo controlled, multiple dose phase 2 study to determine the safety and Efficacy of AMG 853 in subjects with inadequately controlled asthma – 2009-2010

Safety of PATANASE® Nasal Spray in patients with perennial allergic Rhinitis – 2009-2010

A Phase 3, open-label, randomized, long-term comparison of the safety and tolerability of the TAK-491 Plus Chlorthalidone Fixed-Dose Combination vs. Olmesartan Medoxomil-

Hydrochlorothiazide Fixed-Dose Combination in subjects with essential hypertension – 2009-2010

A 6-month randomized, double-blind, placebo-controlled, parallel group, efficacy and safety study of once daily ciclesonide HFA nasal aerosol (80 and 160 µg) in the treatment of perennial allergic rhinitis (PAR) in subjects 12 years and older – 2009-2010

A randomized, double-blind, placebo-controlled, parallel group, Phase 3 clinical study to assess the long-term efficacy and safety of BDP HFA nasal aerosol (320 mcg, once daily) in adult and adolescent subjects (12 Years and Older) with perennial allergic rhinitis (PAR) – 2009-2010

A 6-month open label, long-term safety extension study of once daily ciclesonide HFA nasal aerosol (160 µg) in the treatment of perennial allergic rhinitis (PAR) in subjects 12 years and older - 2010

A prospective, randomized, double-blind study of the efficacy of Xolair® in atopic asthmatics with good lung capacity who remain difficult to treat (exact) – 2009 – 2011

A randomized, double-blind, placebo controlled, multiple dose phase 2 study to determine the safety and efficacy of AMG 853 in subjects with inadequately controlled asthma – 2009 - 2011

A Randomized, Double-Blind, Placebo-Controlled, Parallel-Group, Phase 3 Clinical Study to Assess the Long-term Efficacy and Safety of BDP HFA Nasal Aerosol (320 Mcg, Once Daily) in Adult and Adolescent Subjects (12 Years of Age and Older) With Perennial Allergic Rhinitis (PAR)– 2011

A 16-Week, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Study to Evaluate the Efficacy and Safety of Reslizumab (0.3 or 3.0 mg/kg) as Treatment for Patients (12-75 Years of Age) With Eosinophilic Asthma – 2011-2012

HZC113782: A Clinical Outcomes Study to compare the effect of Fluticasone Furoate/Vilanterol Inhalation Powder 100/25mcg with placebo on Survival in Subjects with moderate Chronic Obstructive Pulmonary Disease (COPD) and a history of or at increased risk for cardiovascular disease. – 2011-present

A 12-Week Dose-ranging Study to Evaluate the Efficacy and Safety of Fp Spiromax® (Fluticasone Propionate Inhalation Powder) Administered Twice Daily Compared With Placebo in Adolescent and Adult Subjects With Severe Persistent Asthma Uncontrolled on High Dose Inhaled Corticosteroid Therapy – 2012-2013

A 12-Week Dose-ranging Study to Evaluate the Efficacy and Safety of Fluticasone Propionate DPI Administered Twice Daily Compared With Placebo in Adolescent and Adult Subjects With Persistent Asthma Uncontrolled on Non-steroidal Therapy– 2012

A 6-month Safety and Benefit Study of Inhaled Fluticasone Propionate/ Salmeterol Combination Versus Inhaled Fluticasone Propionate in the Treatment of 6,200 Pediatric Subjects 4-11 Years Old With Persistent Asthma – 2012-present

A Phase III, Randomized, Double-Blind, Placebo-Controlled Study to Assess the Safety and Efficacy of Lebrikizumab in Patients With Uncontrolled Asthma Who Are on Inhaled Corticosteroids and A Second Controller Medication – 2012-2013

SAS115359: A 6-month Study to Assess the Safety and Benefit of Inhaled Fluticasone Propionate/Salmeterol Combination Compared With Inhaled Fluticasone Propionate in the Treatment of Adolescents and Adults (12 Years of Age and Older) With Asthma. – 2012

A 12-Week Randomized, Double-Blind, Placebo-Controlled, Parallel-Group, Safety and Efficacy Study of Ciclesonide Nasal Aerosol in Subjects 6-11 Years With Perennial Allergic Rhinitis – 2012-2013

A Randomized, Double-Blind, Placebo-Controlled, Parallel-Group, 12-Week, Clinical Study Designed to Assess the Efficacy and Safety of BDP Nasal Aerosol (80 Mcg, Once Daily) in Pediatric Subjects (4 to 11 Years of Age) With PAR – 2013

A Randomised, Double Blind, Placebo-Controlled, Multi-Centre, Parallel Group Study to Evaluate the Efficacy and Safety of ADC3680 Administered Once Daily as an Add-On Therapy to Inhaled Corticosteroids and When Co-Administered With Montelukast in Subjects With Inadequately-Controlled Asthma. – 2013-present

Randomized, Double-Blind Trial of the Safety and Efficacy of Dymista Nasal Spray Compared to Placebo Nasal Spray in the Treatment of Children Ages >4 Years to <12 Years With Seasonal Allergic Rhinitis – 2013

A Randomized, Double-Blind, Multiple-Dose trial of Mometasone Nasal Spray, 50 µg (Mylan), Nasonex® Nasal Spray, 50 µg (MSD-US), Nasonex® Nasal Spray Suspension, 50 µg (MSD-EU) and Placebo for the Treatment of the Signs and Symptoms of Seasonal Allergic Rhinitis in 1,520 Male and Female Volunteers. – 2013-present

A Randomized, Double-blind, Placebo-controlled Study to Evaluate the Safety and Efficacy of Brodalumab in Subjects With Inadequately Controlled Asthma and High Bronchodilator Reversibility – 2013-present

Randomized Trial of the Safety of Astepro 0.15% Nasal Spray and Astepro 0.1% Nasal Spray in Children Ages >6 Months to <6 Years With Allergic Rhinitis – 2013-present

A Randomized, Double-Blind, Placebo-Controlled, Dose-Ranging Study to Evaluate Dupilumab in Patients With Moderate to Severe Uncontrolled Asthma – 2013-present

A Phase III, Randomized, Double-Blind, Placebo-Controlled Study to Assess the Efficacy and Safety of Lebrikizumab in Patients With Uncontrolled Asthma Who Are on Inhaled Corticosteroids and a Second Controller Medication – 2013-present

A Double-Blind, Randomised, Placebo-Controlled Multi-Centre Field Study to Assess the Efficacy and Safety of Cat-PAD Peptide Immunotherapy in Cat Allergic Subjects – 2013-present
