**RESEARCH:**

- 2004-05: ***“Building the Evidence for Regulation: Exploring Relationships Among Education, Personal and Professional Characteristics, and Complaints to Improve Patient Safety and the Practice Environment.”*** Co-PIs are Sharon Pappas and Ann Marie Sonntag. Funded by Institute of Regulatory Excellence, National Council of State Boards of Nursing.
- 1999 TO 2000 ***“Another Look at Preceptors”***. A collaborative survey done between the University of Hawaii and the University of Colorado School of Nursing.
- 1996 to 1997: ***“Through the Eyes of Patients: A Phenomenological Study of Medicaid”***. Doctoral dissertation. An ethical study of Medicaid clients using van Manen’s Methodology. A theory of meaning, *Power and Control: Counterbalance to Moral Responsibility and Boundaries of Community* was developed. As a result of this work, the faculty of the Grad School of Public Affairs nominated me for Philip Milstein Scholar Award for 1998. Award recognizes excellence in dissertation research in public policy.
- 1993 to 1994: ***Demand for Education of Nursing Faculty in Primary Health Care: A National Survey”***. Co-authored with Anne Harrison, a survey instrument was developed and mailed to Schools of Nursing with graduate programs as listed by the National League for Nursing.
